

Exceptional Result for a Gamay from Geneva in Lyon

The third International Competition of Gamay (www.concoursgamay.com) took place in Lyon, France, on Saturday January 19, 2013 with no less than 547 different Gamay wines – and Geneva walked away with six of the 21 medals awarded to Swiss wines.

Domaine des Abeilles d'Or won a Médaille Grand Or – the competition's highest distinction – for its Gamay "Vieilles Vignes 2010." Both Domaine de la Mermière and the Cave de Genève won gold medals for their "Vieilles Vignes 2010" and "Vieilles Vignes 2011" respectively.

Geneva also won three silver medals for "La Briva Vieilles Vignes 2011" (Domaine Les Hutins, Dardagny); "Gamay Vieilles Vignes 2011" (Château du Crest, Jussy); and "Gamay Vieille Vignes 2011" -- the second winning vintage for Domaine des Abeilles d'Or.
